John Cabot Catholic Secondary School

Completion of Community Involvement Activities Form

Students must complete a minimum of 40 hours of community involvement activities as part of the diploma requirements. The purpose of this requirement is to encourage students to develop an awareness and understanding of civic responsibility and of the role they can play and the contributions they can make in supporting and strengthening their communities. Students will plan and select their community involvement activities in consultation with their parents and as part of the Individual Pathways Plan process.

Although this diploma requirement applies to students in Grades 9 to 12, students in Grade 8 will now be able to start accumulating community involvement hours in the summer before they enter Grade 9.

The latest submission is **April 1st** of their graduating year. The hours will be recorded on their Ontario School Transcript. It will also be noted on the "Graduation Requirements Form" which is part of the Semester 1 and 2 Final Report Cards.

Extra copies of this form are located in the Guidance Center. Student Passports and Parent Resource Manuals can also be download on the board website.
